

## Waldoboro Business Association Membership Application

The Waldoboro Business Association was created to develop a working network of local and area businesses; working to promote our businesses, which results in strengthening and supporting the local community and its economy. The purpose of the Waldoboro Business Association is to promote mutual support among members, encourage business growth, and recognize the importance of the quality of life in our community. Current member businesses are located in Waldoboro, Union and Friendship. We welcome new members for the surrounding midcoast Maine area towns to join us.
